HOW TO GET TO SYDNEY EXHIBITION CENTRE @ GLEBE ISLAND

Free special event transport will operate on exhibition days. Scheduled ferry services will run from Darling Harbour, along with scheduled bus services from Central Station (departing from Bus Bay 13 on Eddy Ave, near the police station) and from Murray Street, Darling Harbour. Free special event transport and timetables will be tailored to each event, with details posted on the event website at the time of ticketing or registration. Transport schedules are subject to change depending on traffic conditions and demand on event days. A taxi rank and drop-off point is located outside Sydney Exhibition Centre @ Glebe Island Hall 3 and limited paid parking is available onsite (P1). Entry and exit is via James Craig Road. Vehicles may also exit via Sommerville Road and Robert Street after 10 AM. Depending on event demand, an overflow car park (P2) located off Sommerville Road will be in operation. Signage on James Craig Road will indicate when P2 is open and a shuttle bus will transport visitors and exhibitors between P2 and the venue. Pedestrian access is via free shuttle bus services from James Craig Road. There is no direct access to the venue by foot.
